

ARIBALive 2012

Discover. Connect. Collaborate.

Ariba LIVE Is Headed to Vegas and Europe!

Conference Overview

We are excited to announce that Ariba LIVE 2012 will take place at the legendary Caesars Palace in Las Vegas, April 10 - 12. Ariba LIVE is a must-attend event for every and any person responsible for buying, selling, and managing cash. The leading event for collaborative business commerce, Ariba LIVE brings attendees from all industries from across the globe. Throughout the conference, Ariba buying and selling customers, Ariba prospects, partners, industry analysts, and media convene to share ideas, best practices, and insights. Ariba LIVE Las Vegas and Ariba LIVE Europe are expected to be our largest Ariba LIVE events to date!

Conference Theme

Ariba LIVE 2012's theme is a perfect match for Ariba partners as it is all about discovering, connecting, and collaborating. In our networked, global marketplace, separating the leaders from the pack is the art and skill of trading partner collaboration—the ability to quickly and efficiently work together to respond to change and capitalize on opportunity. Attendees will get the tools, skills, and connecting they need to “out-collaborate” their competition!

Attendee Profile

Ariba LIVE attendees come from all over the world, and represent a wide range of industries. We anticipate more than 2,500 attendees for the 2012 Las Vegas conference and more than 400 in Europe.

Ariba Collaborative Commerce Pavilion

The Ariba LIVE 2012 Collaborative Commerce Pavilion promises to be rich in networking and traffic. We have taken several measures to ensure we provide a great environment not only for our attendees, but for our sponsors to feel they are getting the most benefit. We will include all meals and breaks within the Exhibit Hall, which will encourage all attendees and sponsors to network and enjoy the energy and excitement of the 2012 Collaborative Commerce Pavilion.

Ariba LIVE— A Look Back!

Ariba LIVE has been showcased as the leading business commerce conference since 2000. In 2011, Ariba LIVE had more than 1,450 attendees from 578 different companies in Nashville and more than 378 attendees from 186 companies in London.

In 2012, we anticipate even more attendees for this event. As in the past, one of the most successful elements of the conference is the Exhibit Area, which will include more open hours, more networking opportunities, and strategic placement of all booths and floor plan. Feedback from our sponsors has been overwhelmingly positive and we look forward to another great event!
